Consent to Cookies Processing

1. This consent to the processing of cookies (hereinafter referred to as the "Consent") expresses the consent of the user of the information and telecommunications network "Internet" (hereinafter referred to as the "User") to the automated processing of personal data collected through metric programs on the website located at f-genetics.com (hereinafter referred to as the "Website") by JSC "FIRST GENETICS" (OGRN: 1167746676680, INN: 7725323844, address: 121205, Moscow, Skolkovo Innovation Center Territory, Bolshoy Boulevard, 42, building 1, premises 619; phone: +7 (499) 673-02-88; e-mail: info@f-genetics.com) (hereinafter referred to as the "Operator").

2. This Consent applies to technical cookies that allow determining the hardware and software configuration of the User, as well as analytical cookies that allow tracking the User's actions on the Website.
   Analytical cookies are collected through the following services:
   Yandex.Metrica.

3. The data collected through metric programs is used by the Operator to improve the operation of the Website, in particular to save the User's settings, fix errors, etc., which allows for a more convenient submission of requests on the Website.

4. The User authorizes the Operator to carry out automated processing of data collected through metric programs in the following forms: collection, recording, systematization, accumulation, storage, clarification (update, change), extraction, use, blocking, deletion, destruction.

   For the purposes specified in clause 2 of this Consent, the User authorizes the Operator and gives consent to the transfer of the collected data to the following third parties:
   LLC "Yandex," INN: 7736207543 (address: 119021, Moscow, ul. Lva Tolstogo, 16).

5. This Consent is effective from the date of its provision until the achievement of the purpose of processing the personal data. The User has the right to withdraw this Consent by deciding to delete saved cookies and/or restrict (prohibit) their collection (by changing the settings of the web browser being used). Please note that when changing web browser settings and disabling the collection of cookies, some elements of the Website may be unavailable or may not function correctly.
6. More detailed information about the conditions and principles of personal data processing, as well as about the rights of the User as a personal data subject, is contained in the Privacy Policy for Personal Data of Website Users, available for review at: f-genetics.com.
